 BOARD CHAIR

Approval of Fund Balance Policy

Initiator: Daniel Monasterio, Director of Finance

Action: Approval of the Children's Board of Hillsborough County Board Fund Balance Policy

Date: Regular Board Meeting, Thursday, June 26, 2025

Recommended Action

Approval of the Children's Board of Hillsborough County Board Fund Balance Policy and attached resolution.

Background

- The Governmental Accounting Standards Board (GASB) Statement No. 54 requires the Board to establish a Fund Balance Policy that is reviewed and approved each year.
- This statement provides required categories to be used when presenting the Fund Balance in the Financial Statements.
- The Board Fund Balance Policy was originally approved January 26, 2012.
- Please see the attached Board Fund Balance Policy for the details of the policy, the category definitions, and items in each category.
 - Section I describes the purpose
 - Section II includes definitions for each category
 - Section III includes the specific areas that the Children's Board will include in the financial statements
- There are no recommended changes to the current policy at this time.

Children's Board of Hillsborough County Board Fund Balance Policy

I. PURPOSE

- To establish and maintain reservations of Fund Balance, as defined herein, in accordance with Governmental Accounting Standards Board Statement No. 54 (GASB 54), Fund Balance Reporting and Governmental Fund Type Definitions.
 - The categories of Fund Balance, as defined by GASB 54, shall be composed of:
 - Non-spendable
 - Restricted
 - Committed
 - Assigned
 - Unassigned
 - The Children's Board of Hillsborough County's (CBHC) accounting procedures will determine the classifications for year-end fund balance categories.

II. CATEGORY DEFINITIONS PER GASB 54

- **Fund Balance** – The difference between assets and liabilities in a governmental fund.
 - **Non-Spendable Fund Balance**
 - The portion of fund balance that cannot be spent because of form or because it must be maintained intact.
 - Examples include:
 - Inventory
 - Long-term Receivables
 - Pre-paid Expenses
 - Compensatory Absences
 - **Restricted Fund Balance**
 - The portion of fund balance with limitations imposed by creditors, grantors, laws, regulations, or enabling legislation.
 - **Committed Fund Balance**
 - The portion of fund balance that can be used only for the specific purposes determined by a formal action (resolution) of the organization's highest decision making authority.
 - Commitments may be changed or lifted only by the organization taking the same formal action (resolution) that imposed the original constraint.
 - **Assigned Fund Balance**
 - The portion of fund balance that includes spendable amounts established by the board and functions as a declaration of the board's intent.
 - Funds in this category are neither considered restricted nor committed.
 - Intent can be expressed by the governing body or by an official or committee which the governing body delegated the authority.

- **Unassigned Fund Balance**
 - The residual portion of fund balance that has not been restricted, committed, or assigned and is available for general purposes.

III. CHILDREN'S BOARD RESERVATIONS OF FUND BALANCE

- **Non-Spendable Fund Balance**
 - This category will consist predominantly of:
 - Pre-Paid Expenditures
 - Long Term Receivables
 - Reserve for Compensatory Absences
 - The items and amounts in this category are determined during year end processes.
- **Committed Fund Balance**
 - Building and Capital Reserve
 - This amount is to be determined each year as part of the budgetary process.
 - This reserve is designated for use on projects of a capital nature such as building or building systems improvements and information technology infrastructure.
 - Minimal Operational Expenditures
 - CBHC will maintain a minimum committed fund balance of 5.01% of budgeted operating expenditures based on best practices as outlined by the Government Finance Officers Association.
 - This minimum amount will allow CBHC to maintain operations at times when cash outflow exceeds cash inflow, typically during the first two months of the fiscal year.
- **Assigned Fund Balance**
 - Amounts in this category to be determined each year as part of the budgetary process.
 - This category consists of future commitments included in the five year projections that spend down dollars from the fund balance.
- **Unassigned Fund Balance**
 - Represents the difference between the total fund balance and all other categories.

IV. ANNUAL REVIEW AND DETERMINATION OF FUND BALANCE POLICY

- Compliance with the provisions of this policy shall be reviewed annually.

RESOLUTION 24/25 – 05
OF THE CHILDREN’S BOARD OF HILLSBOROUGH COUNTY
ADOPTING A FUND BALANCE POLICY

Upon motion by Board Member _____, seconded by Board Member _____, the following Resolution was adopted by a vote of ____ to ____.

WHEREAS, the Governmental Accounting Standards Board issued Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, in order to clarify the meaning and reporting of fund balance on financial statements; and

WHEREAS, the Board desires to establish a Fund Balance Policy for its governmental funds consistent with the Governmental Accounting Standards Board Statement No. 54; and

WHEREAS, such a policy has been prepared and a copy thereof is attached; and

WHEREAS, the Children’s Board of Hillsborough County believes that it is necessary, appropriate and in the public interest to establish fund balance reserves,

NOW, THEREFORE, BE IT RESOLVED BY THE CHILDREN’S BOARD OF HILLSBOROUGH COUNTY, FLORIDA, IN PUBLIC MEETING THIS 26th DAY OF JUNE 2025 that:

1. The Children’s Board of Hillsborough County adopts the “Children’s Board of Hillsborough County Fund Balance Policy”, attached hereto and hereby directs the Executive Director to implement said policy.
2. All resolutions or parts of resolutions, insofar as they are inconsistent or in conflict with the provisions of the Resolution, are hereby repealed.
3. This Resolution shall be effective for financial reporting purposes for fiscal year 2025 - 2026.

STATE OF FLORIDA
COUNTY OF HILLSBOROUGH

I, Robin DeLaVergne, Chair of the Children's Board of Hillsborough County, Florida, DO HEREBY CERTIFY that the above and foregoing is a true and correct copy of the Resolution adopted by the Children's Board of Hillsborough County, Florida, at its meeting of June 26, 2025, as the same appears of record in the Minutes Book of the Children's Board of Hillsborough County, Florida.

WITNESS my hand and official seal this 26th day of June, 2025.

Robin DeLaVergne, Board Chair

Provider Audit Submission Extension

Initiator: Daniel Monasterio, Director of Finance

Action: Provider Audit Submission Extension for ALK of Florida, Inc.

Date: Regular Board Meeting, Thursday, June 26, 2025

Recommended Action

Decision to continue payments to ALK of Florida, Inc.

Background

- Board Policy 2.13.E states:
Failure to Submit Audits or Reviews. The approval of the Executive Committee of the Children's Board shall be required to continue payments under the Agreement to any provider who has not furnished the Children's Board with an acceptable audit or review report within 180 days after the close of the provider's fiscal year or before the end of the contract period in the case of newly funded agencies who lack prior audits or reviews as described in "Newly Funded Agencies Without Audits or Reviews" above.
- CBHC received a request for extension from ALK of Florida, Inc. on May 27, 2025. The agency recently engaged a new firm to conduct its audit, which will need some additional time to become familiar with the agency's operations and reporting before it can complete its work.
- CBHC provided the extension request form to ALK of Florida, Inc., which documents the agency's formal request for an extension.
- ALK of Florida, Inc. has requested an extension to September 29, 2025.

Board Policy:

2.13 Audit Requirements

- A. The Agreement between the Children's Board and Funded Agencies. The Agreement between the Children's Board and funded agencies states that for any funded agency's fiscal year ending during the term of the Agreement and for any fiscal year during which revenues or expenditures are recognized by the provider for the program covered by the Agreement, the provider will submit to the Children's Board (within 180 days after the close of the provider's fiscal year) year-end audited financial statements and any related management letters, any related communications or reports on internal control, and any related reports on compliance with laws and regulations.
- B. A Review of the Provider Agency's Financial Statements. A review of the provider agency's financial statements is acceptable for provider agencies with a current fiscal year budget of less than \$300,000.
- C. Newly Funded Agencies without Audits or Reviews. For provider agencies who have not previously received Children's Board funding and who do not have audited or reviewed financial statements, the Children's Board staff may conduct a review of such provider agency's fiscal capacity during the first quarter of the contract period. The Children's Board staff will require that the provider agency put in place a written audit preparation process that includes at least the following items:
 - 1. Preparation of monthly financial statements
 - 2. General ledger (reconciled)
 - 3. Source documents (checks, reconciled bank statements)The written audit preparation process shall be subject to review and written approval by the Children's Board staff.
- D. An Audit or Review. An audit or review (depending on the total agency budget amount for such newly funded agencies) must be completed by the end of the contract period.
- E. Failure to Submit Audits or Reviews. The approval of the Executive Committee of the Children's Board shall be required to continue payments under the Agreement to any provider who has not furnished the Children's Board with an acceptable audit or review report within 180 days after the close of the provider's fiscal year or before the end of the contract period in the case of newly funded agencies who lack prior audits or reviews as described in "Newly Funded Agencies Without Audits or Reviews" above.

Agency Fiscal Year: January - December

Audited Financial Statements Due Date: June 29, 2025

Extension Request Date: September 29, 2025

Reason for Extension: We recently onboarded a new financial firm with expertise in taxes, annual reports, and audits. As they get to know our business to better support us long-term, they're also reviewing our records to ensure everything is accurate, compliant, and audit ready. To allow them sufficient time to complete this work, we're requesting a short extension to finalize and submit the report. We truly appreciate your continued support as we remain committed to upholding and meeting all grant guidelines.

Initiator: Maria Negrón, Director of Programs

Action: Approval of One-Time Independent Contract Amendment

Date: Regular Board Meeting, Thursday, June 26, 2025

Recommended Actions

Recommend the approval to amend a one-time independent contract for Summer Camp Slots with The Skills Center to fund 150 youth residing across Hillsborough County in the amount of \$49,200 for a total FY 2024-2025 award of \$124,200 through August 1, 2025.

Background

- This is in response to a continued effort to assess capacity and expand the availability of summer camp slots.
- This request specifically supports a unique opportunity to provide a high quality 6-week evening camp for middle and high school students.
- The contract was initiated on June 10, 2025 for a partial amount, \$75,000, the allowable Executive Director approval amount so the program could initiate planning.
- Camp services run from June 23, 2025 through August 1, 2025.

ACTION ITEM NO. 8

Audit Firm Recommendation

Initiator: Robin DeLaVergne, Board Chair

Action: Audit Firm Recommendation

Date: Regular Board Meeting, Thursday, June 26, 2025

Recommended Action:

Accept Carr, Riggs, & Ingram, LLC as the audit committee's recommended firm to perform the professional audit services, and authorize staff to enter into negotiations for a five-year audit services contract with Carr, Riggs, & Ingram, LLC.

Background

The Professional Audit Services RFP was issued on April 25, 2025 and posted on www.demandstar.com and www.childrensboard.org.

- One hundred sixty-six (166) firms were notified through DemandStar.
- Four (4) audit firms submitted an Intent to Respond by May 12, 2025.
- Two (2) firms submitted proposals by June 2, 2025.

Advertisements were placed in the Florida Sentinel Bulletin, La Gaceta and Tampa Bay Times.

On June 9, 2025 the Audit Selection Committee comprised of Robin DeLaVergne (Chair) - CBHC Board Chair, Andy Mayts - CBHC Board Secretary Treasurer, and David Adams - Community member reviewed and scored the two proposals based on experience with similar agency audits and price.

The scores from the June 9, 2025 auditor selection committee were as follows:

Rank	Firm	Score	Bid Price
1.	Carr, Riggs & Ingram, LLC	101.45	\$36,825
2.	Baker Tilly US, LLP	81.70	\$32,250

Based on the information submitted in the proposals, the committee recommends Carr, Riggs & Ingram, LLC to the full Board for approval.

A deeper look at QUALITY:

CLASS

Developed by Teachstone, A classroom observation tool is a **structured way to collect data about the quality of interactions and practices in a classroom**. It helps educators assess and improve teaching, learning environments, and student outcomes.

Gold Seal

The Gold Seal Quality Care (Gold Seal) program was established in 1996 to acknowledge child care facilities and family day care homes that have gone above the required minimum licensing standards to become accredited by recognized agencies whose standards reflect quality in the level of care and supervision provided to children

Accreditation

Accreditation is a **voluntary process where programs demonstrate their commitment to quality standards beyond basic licensing**. It's a way for child care providers to show they meet higher standards in areas like curriculum, teaching practices, and safety. (FLAEYC, NAEYC)

THE CHILDREN'S BOARD OF HILLSBOROUGH COUNTY STRATEGIC PLANNING SESSION SUMMARY

Prepared by Michele Watson, CEO

FACCT
Florida Alliance of
Children's Councils & Trusts

The Children's Board of Hillsborough County was created in 1988 to invest dollars to fund a wide variety of programs designed to help children lead a healthy, safe and productive life, making a difference for all residents of Hillsborough County. Recently the Children's Board engaged in a strategic planning session with its Board Members on April 24, 2025, to provide guidance to staff on areas of focus identified by the Board. The following report outlines the preparation, discussion, and priorities outlined for further research as a part of the strategic planning exercise.

PREPARATION

Leading up to the strategic planning session, the Executive Director and staff of the Children's Board collected significant local data and deployed a provider survey in addition to providing results from a previous town hall. This approach was devised to understand any new and relevant data that could be presented to the Board as part of the prioritization exercise included on the Children's Board Strategic Planning Agenda ([Linked Here - Attachment A](#)). Additionally, strategies were placed under each funding category to better be able to focus on specific strategies for prioritization. The Children's Board's four major funding categories were broken down by the following headings and strategies:

Developmentally on Track	Healthy and Safe	Ready to Learn & Succeed	Family Support
Behavioral Supports	Water Safety	Trauma- Informed Schools	Self- Sufficiency
Child Developmental Screening & Referral	Physical Fitness	Early Learning Child Care Provider Support	Mental Health Supports
Home Visiting	Prenatal/Postnatal Supports	Afterschool Programs	Service Member/ Veterans Programs
Developmental Supports Birth – Kindergarten	Unintentional Injury/ Safety Education	Literacy Interventions	Children's Board Family Resource Centers
Supporting Children with Autism or Varying Abilities	Fatherhood Initiatives	Child Care Slots	Economic Security/ Financial Literacy
Parent/ Caregiver and Child Playgroups	Substance Abuse Supports	Education Resources for Parents & Children	Homeless or at Risk of Homelessness
Teen Parenting Supports	Infant/ Child Wellness/ Vaccinations	Character Development	Case Management
	Health Care Access	Mentoring	Kinship Supports
	Food Security	Music Programs	Parenting Workshops
		STEM Programs	Respite Programs
		Technology Access	Legal Services
		Arts Programs	Domestic Violence Programs
		Educator Supports (Birth – Middle School)	Recreational Access

DISCUSSION

The three-hour strategic planning session resulted in considerable discussion. The following is a high-level recap of the discussion among Board Members after staff had presented local data per the agenda ([Linked Here - Attachment B](#)):

1. Identification of the need to increase opportunities to spend down fund balance.
2. The ability to determine if there could be an expansion of summer services for summer 2025.
3. Determining if the application and funding process could be updated for efficiencies and ease of use.
4. Revisiting the administrative/indirect rate for program contracts.
5. Opportunities to support smaller non-profits in being able to access Children's Board funding.
6. Looking at opportunities to serve teens and potential for expansion of service areas.
7. The results of the prioritization exercise completed by the Board and community members as outlined in the prioritization summary table below - Attachment C.

Additionally, members of the public were given time for public testimony in which they outlined opportunities for administrative review, provided suggestions such as creating a provider liaison, and highlighted community needs including the need for child care supports, more child care slots, and food opportunities.

PRIORITIES

The Children's Board of Hillsborough County, along with attending community members, were given a sheet of 24 colored dots, more than the 15 dots per person envisioned due to the number of individuals participating in the prioritization activity. Each participant was asked to place the dots under each strategy. An individual could place as many dots as they wanted next to a strategy as they felt necessary and include notations on the dot itself of a zip code in which they would like to see that strategy available. Furthermore, before the dot activity began, we asked the Board if there were any additional strategies that were missing. It was noted that the Board identified three additional strategies for consideration to include Teens, Supports for Child Care Accreditation, and Mental Health*. These strategies were added for inclusion before the prioritization activity began. The results of the dot prioritization activity are as follows:

Service Area	Strategy	Total Dots	Notes
New Focus Areas	Accreditation for Child Care	64	
New Focus Areas	Teens	49	
Family Support	Mental Health Supports	39	
Ready to Learn & Succeed	Early Learning Child Care Provider Support	26	Zip Code: 33584

Healthy and Safe	Physical Fitness	2	
Healthy and Safe	Perinatal/Postnatal Supports	1	
Family Support	Service Member/Veterans Programs	1	

*Noted within the prioritization is that while Mental Health was identified by the Board, it was already also a strategy included under the Family Support funding category. When compiling the results, the dots placed next to these two strategies were combined and totaled as one strategy, so as not to dilute the results.

The results of the prioritization exercise outlined two new strategies that are not currently addressed under any existing funding portfolio. Those were accreditation supports for child care providers and services for teens. Currently, the Kids Hope Alliance in Jacksonville supports a Child Care Accreditation Academy that may be a turnkey opportunity to bring to Hillsborough County. Furthermore, as iterated at the meeting regarding teen supports, considerations could begin with establishing a Teen Council or Youth Advisory Council to get input into what supports and services would be most beneficial to this newly identified service priority. The Children's Trust of Miami-Dade has a long standing and active Youth Advisory Council (YAC) that could be a model for the Children's Board to consider. The other existing strategies that were prioritized may need a thorough review by staff to determine if additional services and/or initiatives may need to be created to meet the need.

RECOMMENDATIONS AND SUPPORTS

As the Children's Board continues to work to identify new opportunities and reduce administrative burdens, the following recommendations are proposed by FACCT.

1. Ensure more opportunities for community feedback to adequately determine the community's needs, including a larger sample of citizens representing the geographic make up of Hillsborough County.
2. Research opportunities to implement strategies prioritized as a part of the strategic planning exercise, starting with the top 5.
3. Collect other Children's Services Councils applications for funding and processes to determine if opportunities exist to better support community providers.
4. Finalize a fiscally responsible plan to spend down the fund balance while ensuring continuity of existing services and expansion to priorities identified during the strategic planning session.
5. Support smaller community providers in being able to access Children's Board funding through increased training, support, and building relationships with fiscal agents.
6. Continue to monitor state and federal budget discussions to be able to support programs that may receive substantial cuts in funding.
7. Forecast multiple budget scenarios based on a reduction of potential ad-valorem revenues due to economic or legislative shifts and ballot initiatives.
8. Determine the feasibility, workflows, and staffing supports needed to move from paper processes to electronic opportunities for the application and review process to create efficiencies.
9. Review Children's Board FTE's to ensure that there are enough staff to complete the work required by the Board.
10. Conduct a full policy review to determine if the current policies could be modernized or updated to reflect the current business practices and environment.

On behalf of the Florida Alliance of Children's Councils and Trusts, we stand at the ready to share information, solutions, and best practices to support the strategic goals of the Children's Board of Hillsborough County.

Children's Board of Hillsborough County Strategy Workplan

As we move forward, the Children's Board remains committed to focusing on our primary responsibility as a special taxing district created to provide funding for high-quality services to children throughout Hillsborough County. We remain dedicated to listening to community voices and implementing strategies to demonstrate trust, transparency and enhance the positive impact we were created to deliver. Our overarching responsibilities are to:

- Fund services that help children lead healthy, safe and productive lives and
- Maintain accountability to the community that funds our work.

Aligned with these responsibilities, we have plans to enhance **Provider Engagement, Community Relations, Long-Term Funds Management**, and **Process Modernization**. Below are key initiatives to ensure we meet our responsibilities and deliver services efficiently and effectively.

Provider Engagement	Community Relations	Long-Term Funds Management	Process Modernization
Improve provider support and expand access for small nonprofit providers.	Strengthen community input mechanisms and improve external communication.	Align fund balance use with long-term service continuity, funding variability and public funding trends.	Modernize grant processes, update policy frameworks and assess capacity of CBHC.

In Table 1 on the following page, we outline our implementation timeline for each initiative during FY24-25 and FY25-26.

TOP SERVICE PRIORITIES

The Children's Board has identified six service priorities that shape its investment and program strategies: **summer camp expansion, accreditation for child care, support for teens, mental health supports, early learning child care supports**, and **supports for children with autism or varying abilities**. These focus areas serve as a framework for addressing critical community needs and ensuring that services remain inclusive, accessible, and aligned with the lived experiences of Hillsborough County's children and families.

Initial efforts are underway to address the identified priority service areas, along with two additional service areas introduced by the Board during its April 24, 2025 workshop. A timeline of current and planned activities is provided on pages 3–4 (Table 2).

IMPLEMENTATION TIMELINE (Table 1)

The table below outlines each initiative along with its planned implementation timeline, including those that are already underway or completed.

2024

Children's Board of Hillsborough County

The Children's Board of Hillsborough County is dedicated to improving the quality and availability of services and resources for children and their families. As part of this commitment, this year we funded 13 Technical Assistance (TA) grant awards of up to \$10,000 to non-profit organizations with a budget of \$2 million or less that are seeking to improve their service quality. These grants can be used for a variety of purposes, including technology upgrades, staff development, marketing, and strategic planning.

Children's Board
HILLSBOROUGH COUNTY
www.ChildrensBoard.org

Annual Survey Reveals Positive Feedback

Twelve of the 13 grantees participated in the annual survey. All respondents agreed that TA grants were beneficial, especially for smaller organizations, as they provided resources that were not usually available for technological upgrades and quality enhancements. Additionally, the success of obtaining a TA grant has fostered the confidence of these smaller non-profits in their ability to grow their organizations.

12/12

Survey respondents agreed TA grants are a **valuable community resource**.

100%

Survey respondents were **satisfied** or **very satisfied** with the TA grant process from application through reporting.

Significant Results

Increased Access to Services

Improvements to websites, technology, and marketing materials for better and increased family access to services.

Increased Program Capacity

Improved staff training allowed for fewer external contractors and better services.

Increased Systems Capacity

Updated computer equipment and software allowed for streamlined processes, quality assurance, and improved communication between providers and families.

“Due to the increase in donation bin locations across the county, OASIS was able to increase our support from 2 to 3 outfits for economically disadvantaged students and from 3 to 4 outfits for our homeless students because of increased stock, especially in adult-sized clothing”

- OASIS Network of New Tampa, Inc.

“This internal capacity-building has not only resulted in cost savings but also fostered a more cohesive and adaptable team, capable of addressing the evolving needs of our community.”

- Community Roots Collective

Financial Statement Category Definitions

- **Revenue**

- **Ad-Valorem Taxes** includes current and delinquent ad-valorem tax revenue and excess fees returned to the Children's Board originally paid to the County based on the tax revenue.
- **Investment Income** includes revenue from various interest-bearing accounts.
- **Administrative Services Organization (ASO)** funding represents contributions from other funders specifically designated for use by providers in the community, managed by the Children's Board ASO staff. These dollars are also included in the program expenditure line. An example is the Hillsborough County Board of County Commissioners (BOCC).
- **Other Community Partner funding** represents funds contributed from community partners that are added to our provider contract amounts and included in the program funding line, for example, the School District of Hillsborough County and Hillsborough County BOCC.
- **Miscellaneous Income** consists of match revenue from the insurance company, cash back from the credit card, and any other miscellaneous revenue received during the year.

- **Expenditures**

- **Program Funding (Continuation Grants)** represents provider contracts funded by Children's Board, property tax revenue and funds contributed from our community partners. This amount also includes the dollars managed through the ASO to provide support to participants of case management programs.
- **New Program Funding (unallocated)** includes dollars budgeted for new program contracts and one-time funding that will be released and awarded by a competitive or application process.
- **Employee Salaries and Benefits** include wages paid to all non-contractor employees. Benefits represent costs provided for salaried and hourly wage employees including Federal Insurance Contributions Act (FICA), life and health insurance, short-term and long-term disability insurance, unemployment, and retirement benefits.
- **Contracted Professional Services** represents amounts budgeted for contracted information technology services, legal, media buys, auditing, and other professional services.
- **Facility Expenditures** represents necessary costs to operate the Children's Board offices, conference center, and seven (7) CBHC Family Resource Centers (CB FRC) occupancy expenditures, including utilities, information technology, maintenance, and repairs.
- **Other Operating** contains staff training, conference and meeting travel, postage, insurance, promotional activities, printing, supplies, advertising for Truth In Millage (TRIM), budget ads and other public notices, memberships, and subscriptions. Also included are support activities with provider agencies and community organizations for training and events.
- **Capital Expenditures** include the budget for building expenditures.
- **Mandatory Government Fees** include Tax Collector's fee, Property Appraiser's fee as well as the City Storm Water fee.

- **Program Expenditures**
 - Continuation grants are under budget due to certain providers not being current on invoicing the Children's Board, in addition to a portion of new program funding having yet to be allocated.
- **Employee Salaries and Benefits**
 - This line is slightly under budget due to some positions being vacant at various points during the fiscal year thus far.
- **Contracted Professional Services**
 - This line item is under budget due to a delay in billing for legal services, as well as underspending in Community Education & Awareness. However, spending is expected to be in line with what was budgeted by the end of the fiscal year.
- **CBHC FRC Occupancy Expenditures**
 - This line item is under budget due to underspending in building repairs/maintenance, janitorial services, and utility services. Overall, spending is expected to be slightly under budget for the fiscal year.
- **Facility Expenditures**
 - This line item is under budget due to underspending in building repairs/maintenance and lawn maintenance services.
- **Other Operating**
 - Spending is in line with what was budgeted.
- **Capital Expenditures**
 - This line item is under budget due to the planned build out of the property purchased for a Family Resource Center in Brandon (which is expected to begin in the coming months), as well as the planned purchase of property for an additional Family Resource Center in the Riverview area.
- **Mandatory Government Fees**
 - Spending is in line with what was budgeted.

Narrative/Assumptions for FY 2024 - 2025 Estimated Spending

- **Revenue**

- Total Revenue is projected to be over budget by a net amount of \$1,249,018.
- Ad-Valorem Tax Revenue is projected to be over budget by \$844,258 as more than 95% of the tax revenue is expected to be received.
- Investment Income is projected to be over budget by \$546,351. The current interest rate is 1.08% with Wells Fargo and 4.48% with Florida Prime, which is higher than the 4% budgeted.
- The Administrative Services Organization (ASO) revenue is expected to be received at the budgeted amount.
- Other Community Partner Revenue is projected to be under budget by \$174,479 because summer services expenses and revenue will be lower than budgeted.
- Miscellaneous Income is projected to be over budget by \$32,888 due to provider repayments received from the prior fiscal year.

- **Expenditures**

- **Program Expenditures**

- Total Program Expenditures are projected to be under budget by \$5.7 million.
 - Continuation Grants are projected to be under budget by \$4.8 million.
 - Negotiated Continuation Contracts were under budget by \$1,052,665, of which \$372,464 has been repurposed and awarded during the year, leaving \$680,201 unallocated.
 - Estimated underspending of the remaining continuation contracts is \$4.1 million.
 - Unallocated Program Funding is projected to be under budget by \$910,452 based on contracts awarded year to date.

- **Operating Expenditures**

- Salaries and Benefits are projected to be under budget by \$468,147 because of vacant positions throughout the year.
- Contracted Professional Services are projected to be over budget by \$32,903 (6%).
- CBHC FRC Occupancy Expenditures are projected to be under budget by \$20,432 (4%).
- Facility Expenditures for the Palm Avenue building are projected to be under budget by a net amount of \$73,271 due to underspending in building repairs/maintenance and lawn maintenance services.
- Other Operating Expenditures are projected to be under budget by a net amount of \$72,993. This includes underspending in staff local travel, professional development, and training & events.

- **Capital Expenditures**

- Capital Expenditures are projected to be under budget by \$1.1 million because the planned purchase of property for an additional Family Resource Center in the Riverview area is not expected to occur until at least FY 2025 – 2026.

- **Mandatory Government Fees**

- Mandatory Government Fees are projected to be over budget by \$7,463 (less than 1%).

Supporting and Empowering Educational and Developmental Services (SEEDS)

The SEEDS program hosted its annual literacy event at Lowry Park on May 17 to kick off a summer of reading with children and families. This year's theme was The Reading Road Trip, and the event featured a variety of activities to promote literacy, along with community providers who shared valuable resources with families.

Tampa Bay Lightning's ThunderBug greeted families as they arrived and engaged them in fun, interactive activities. Community service providers—including the Hillsborough County Sheriff's Office, MyOn, The Skills Center, Early Childhood Council, Challenge Island, Tampa Police Department, and local educators—were on site to support families and promote learning.

Children had the chance to create driver's licenses for their road trip, collect books for summer reading, and participate in engaging literacy activities throughout the "Reading Road Trip." Attendees enjoyed refreshments and Kona Ice on a warm spring day. Families expressed their gratitude for a fun and memorable time at the park, and many shared their commitment to making reading a part of their summer routine. Happy Reading!!!

Supporting and Empowering Educational and Developmental Services (SEEDS)

During a recent home visit, Tristen was thrilled to share some exciting news with his SEEDS Family Support Coordinator (FSC). He had completed a school assessment and could not wait to talk about his progress. Tristen began the school year reading at a kindergarten level (he is currently in third grade), but his most recent assessment showed he is now reading at a second-grade level. He was overjoyed when his teacher confirmed that he will be promoted to fourth grade for the 2025–2026 school year.

Leading up to this milestone, the SEEDS FSC worked closely with the family to help Tristen get evaluated to rule out a learning disability and to connect him with tutoring support. Tristen's mother later shared that he will have an Individualized Education Plan (IEP) and will continue to receive school accommodations. She also noted that Tristen is enrolled in the school's summer reading program to help him feel more prepared for fourth grade.

Just a few months ago, the school had begun discussing the possibility of retention in third grade. Through SEEDS services, the family was connected to the Administrative Services Organization (ASO), which helped provide access to weekly individual tutoring. Since then, Tristen and his family have embraced daily reading, a habit encouraged by their SEEDS FSC. His mom shared that Tristen is now much more confident when reading and looks forward to their reading time together.

We are so proud of Tristen and his family's dedication. Their commitment to reading is paying off, and we're celebrating his continued growth and success in school!

Reaching and Inspiring Students Everywhere (RAISE)

The Bell Family Success Story; A Letter from Mr. Bell (Father)

"We just completed the RAISE Program, and I have to say—it was truly life-changing to have both RAISE workers in our home. I've seen a huge improvement in my son, both at school and in his social life. He now has friends, which is wonderful to see. Earlier this year, he was diagnosed with two behavioral disorders, and since then, I've witnessed such a positive turnaround.

The staff helped bring more structure to our home, and I was able to apply the rules and strategies they taught me to better support my son's behavioral needs. I will absolutely recommend this program to anyone facing similar challenges. The bond we created with the two workers was fantastic—my son already misses them very much. He's a really good and sensitive boy, and he understood that they were here to help him become the best version of himself.

This program didn't just help my son—it helped me too. I've made improvements in my own health and how I manage daily life with my two children. The tools and equipment we received are used every single day. My son now wants to eat healthier, drink healthy drinks, and is eager to learn more at school. Even my three-year-old daughter is joining in—she wants to earn five stars to get a reward! 😄

I can't thank you enough for this wonderful program. It's made a lasting difference in all of our lives."

Building Family Financial Skills

During one of my classes, a student approached me with concerns about credit repair. He shared that his girlfriend was \$30,000 in debt and was considering hiring a lawyer to file for Chapter 13 bankruptcy to manage her financial situation. At 32 years old, she wanted to buy a house but felt overwhelmed by her debt.

I asked him how much the legal services would cost, and he said she was paying \$2,000 to retain the lawyer. I suggested that instead of spending that money on bankruptcy proceedings, she could use it to pay down some of her debt or negotiate settlements with her creditors.

He had previously encouraged her to take my class, believing it would help, but she dismissed his suggestion, feeling he lacked the knowledge to advise her. In every class I teach, I emphasize the importance of maintaining good credit and share strategies for building financial stability. To support my students, I created a sample credit repair kit that includes dispute letters and references to Fair Credit Reporting Act statutes. These tools help individuals request debt validation, seek goodwill adjustments, and negotiate settlements with creditors.

The student was excited to receive the information and shared it with his girlfriend. As a result, she changed her approach—deciding against filing for Chapter 13 and instead focusing on improving her credit. She is now on the path to homeownership, avoiding the long-term impact of bankruptcy, which would have remained on her credit report for seven years and made getting a mortgage far more difficult.

This experience reinforced the power of financial literacy. Not only did the class benefit the student, but it also empowered him to positively influence someone close to him. This program continues to make a meaningful impact—strengthening financial stability, encouraging savings, and protecting credit and identities for a more secure future.

Foster Grandparent Program with Readers in Motion

When Erick walks into his classroom, the day can often feel overwhelming. Diagnosed with autism, he struggles to keep up with lessons and connect with his classmates. Frustration sets in quickly, leaving him feeling isolated and defeated. For his mother, each morning brought worry: Would Erick have another hard day? Would he feel out of place again?

Everything changed when Ms. Thomas, his Classroom Grandma from the Foster Grandparent Program, came into his life. With her calm and reassuring presence, she provides the one-on-one support Erick needs—offering patience, encouragement, and steady guidance during his toughest moments. Under her care, Erick has transformed. He's more engaged in class, taking pride in his work, and making social strides that once felt out of reach.

“She’s always calm, even when Erick has his tough moments,” his mother shared. “I know it’s a challenge, but I’m glad that he’s improving and learning just like his classmates.”

Thanks to Ms. Thomas’s unwavering support, Erick is now thriving in ways his family once only dreamed of. Classroom Grandparents like her bring time, compassion, and belief in every child’s potential—making all the difference, one student at a time.

Pictured left to right: Grandma Rubio and Grandma Everett at Bricks 4 Kidz Event and Ms. Frisby and Grandma Rubio at Oak Grove Elementary

In Ms. Frisby’s first-grade classroom, Grandma Rubio is a steady source of warmth and encouragement, helping students grow both academically and emotionally. Her care and consistency have made a lasting impact—families have noticed real improvements in their children’s confidence and success thanks to her support.

But her influence doesn’t stop at the classroom door. Whether cheering at school events like Bricks 4 Kidz or simply sharing a smile in the hallway, Grandma Rubio’s presence lights up every moment. Her enthusiasm and dedication show that learning is about more than academics—it’s about connection, love, and the power of showing up.

Through the Foster Grandparent Program and the Readers in Motion initiative, Grandma Rubio is changing lives and creating meaningful bonds that extend far beyond the school day.

Foster Grandparent Program with Readers in Motion

As the school year comes to a close, we celebrate the remarkable impact of twenty-six Classroom Grandparents who showed up day after day across four Tampa elementary schools to tutor and mentor students. Thanks to their unwavering dedication, students have flourished—benefiting from one-on-one attention, encouragement, and guidance that has boosted their confidence, strengthened their reading skills, and helped them feel seen and supported every step of the way.

Mrs. Stacey Rothfarb, a kindergarten teacher at Seminole Heights Elementary, shared it best:

“As an educator with thirty years of experience, I have always believed in the power of reading to transform lives. Programs like Readers in Motion are essential to this mission. The Classroom Grandparents bring wisdom, warmth, and a deep sense of community into our classrooms. They provide not just academic support, but also vital social-emotional connections that help our students thrive. Their impact is profound and lasting—both for the students and for the seniors who serve.”

We are deeply grateful for the Classroom Grandparents whose compassion and commitment continue to shape brighter futures for our children and communities.

Seniors in Service of Tampa Bay

Foster Grandparent Program with Readers in Motion

At Seminole Heights Elementary, a dedicated team of six Grandmas and one Grandpa has become an integral part of the school community over the past five years. Their warmth and wisdom have provided students with more than academic guidance—they've offered emotional support that has helped shape confident, capable learners.

The story is similar at Oak Grove Elementary, where twelve Classroom Grandparents serving grades Kindergarten through Second have devoted countless hours to fostering a love of learning and building students' self-esteem.

At Booker T. Washington Elementary, four Classroom Grandparents have enriched the lives of kindergarten and first-grade students, even joining in extracurricular activities like Bricks 4 Kidz and Croc Encounters to make learning fun and interactive.

Meanwhile, at Mendenhall Elementary, three Classroom Grandparents have shown exceptional dedication—some spending up to forty hours a week working with kindergarteners. Their presence has created meaningful bonds, nurtured growth, and helped young students reach their full potential.

The impact of these Classroom Grandparents extends far beyond the classroom walls. Their unwavering commitment not only enhances academic success but also provides children with a deep sense of belonging, support, and love—lessons that stay with them long after the school year ends.

Padres De Crianza

We chose to hold this special event on Mother's Day—a meaningful occasion for families to come together and honor the incredible women who play a vital role in raising and caring for their children.

During the event, community partners such as the Children's Home Network's RAISE Program, Metropolitan Ministries, and Simply Healthcare provided caregivers with valuable information about available support services.

The day featured inspiring success stories, delicious food, fun games, and thoughtful gifts. A total of thirty-six caregivers attended and shared with our Community Navigators how happy, relaxed, and welcomed they felt throughout the celebration.

The event concluded with a beautiful flower arrangement created by one of the caregivers, along with a heartfelt card filled with messages of gratitude from attendees—each expressing deep appreciation for the program and the support it provides.

Padres De Crianza

A Community Navigator was referred to a caregiver and her grandson who were experiencing significant economic, socio-emotional, and health-related challenges. After relocating to the area about a year before enrolling in the program, the family felt lost and overwhelmed, lacking access to the resources they needed to overcome the difficulties they faced.

Recognizing how quickly these stressors could escalate into a crisis, the Community Navigator acted swiftly to provide support. She connected the family with a dental office for the child's treatment, a free community clinic where both could receive medical care, and a therapist to support their emotional well-being and behavioral needs. Additionally, the family received information on local resources that offered food and clothing assistance to help ease financial burdens.

With the support of the Community Navigator and Program Counselor, the caregiver gained tools to manage stress and care for her family with greater confidence. Both the caregiver and her grandson expressed deep gratitude for the Padres de Crianza Program, provided by Gulf Coast Jewish Family and Community Services and generously funded by the Children's Board of Hillsborough County.

Thanks to the dedication and teamwork of the professionals involved, the family has overcome many of their challenges and now feels hopeful and supported in their new community.

Padres De Crianza

This loving and protective pair of caregivers is doing everything they can to give their granddaughter the best possible life and future. When they came to the Padres de Crianza Program, they were seeking support across several areas—socio-emotional, financial, academic, clothing, medical, and holiday needs.

Recognizing the unique challenges grandparents face when stepping into a parental role, and the urgency required to help stabilize families, the Community Navigator quickly took action. She connected the family with local resources and secured additional financial assistance in areas where community support was limited at the time.

Thanks to the guidance of the Community Navigator, the family gained access to services and information they can continue to use in the future. With support from the Program Counselor, they also learned valuable skills in stress management, coping, and communication.

The family is deeply grateful for the support provided by Gulf Coast Jewish Family and Community Services and the Children's Board of Hillsborough County. Through the combined efforts of a dedicated team, they were able to reach their goals and now look toward the future with renewed hope and confidence.

Padres De Crianza

The caregiver is a humble, strong, and dedicated grandmother raising four grandchildren. Despite facing significant challenges—including health issues, language barriers, and financial hardship—she remains motivated and open to receiving support, doing everything she can to provide her grandchildren with a safe, loving, and stable home.

Padres de Crianza has had the privilege of walking alongside this family for many months. During that time, they formed a strong bond with their Community Navigator, who has provided vital referrals and connections to help the family navigate difficult circumstances. With the support of the Children's Board and ASO funding, the Navigator was able to secure beds for the children, assist with utility payments, provide Thanksgiving meals, Christmas gifts, and school supplies, and help the family access affordable housing—

ensuring safety, stability, and comfort for all.

The Program Counselor also played a key role by offering parenting guidance and counseling to help the children process the emotional toll of their biological mother's absence. Throughout this journey, the grandmother has remained active and engaged, faithfully attending monthly support groups, offering encouragement to other families, and introducing new families to the program.

This caregiver and her family have been a true blessing to the Padres de Crianza program. It has been an honor to support them and witness their resilience, love, and unwavering commitment to each other.

Ms. X is a devoted mother raising a young daughter on the autism spectrum. When she arrived in the Wimauma community in September, she was facing tremendous challenges. At the time, she shared that she and her daughter were living in the nail salon where she worked. Despite these difficult circumstances, we immediately began working to find ways to support her and her child.

Although attending our workshops was challenging—she lived in Apollo Beach and relied on Uber rides to reach us—Ms. X remained in regular contact, and we continued to offer support however we could.

Through the HSC Puentes de Salud program, she received assistance applying for Medicaid and food stamps. She was also referred to the RAISE program through the Children's Home Network. Over time, her determination paid off, and she was able to secure a room for

herself and her daughter—a significant milestone on their journey to stability.

In February, when our new community site opened in Ruskin, I called to share the news. Ms. X was overjoyed to learn it was just two blocks from her home. She expressed heartfelt gratitude for the organization's continued support and was thrilled to finally begin attending workshops in person on a regular basis.

Today, her daughter is receiving care through the RAISE program, and the school is effectively implementing her Individualized Education Plan (IEP). She is thriving—and Ms. X is filled with hope and appreciation for the positive changes that have taken place in their lives.

Gibsonton Area

A deeply moving story is that of Mrs. X, a mother of three living in a mobile home in the Gibsonton area, who lost everything during Hurricane Helen—her home, furniture, household items, appliances, and car.

Despite these heartbreaking losses, Mrs. X remains remarkably cheerful and positive. Her family has faced numerous challenges: her teenage daughter dropped out of school three years ago due to bullying, and her husband was recently hospitalized for alcohol-related issues.

Still, Mrs. X never gave up. She faithfully attends our workshops, often walking there with a baby in her arms and bringing her daughter along. In the beginning, her daughter was completely disengaged—she avoided social interaction, resisted participation in activities, and was adamant about not returning to school.

But over time, with patience, consistency, and support from the program, a transformation began. Today, her daughter is back in school, regaining her confidence and hope for the future. Her husband has made significant strides as well, overcoming his personal crisis and now actively participating in *La Red de Padres Activos*.

Thanks to Mrs. X's unwavering resilience and the collective support of the community, this family is moving forward—stronger, more united, and full of renewed possibility.

Ms. X is a devoted mother of four children—ages two, three, five, and thirteen—two of whom have been diagnosed with autism. Despite the daily challenges she faces, Ms. X remains a vibrant and steady presence in our community. She participates in our workshops with unwavering dedication, always eager to learn how to better support her children. She listens with intention, shares with sincerity, and grows alongside other families with grace.

What inspires us most about Ms. X is her spirit. She carries a smile wherever she goes and rarely shows the exhaustion that must come from her demanding days.

Her openness in sharing the realities of her children's educational journeys brings depth and connection to the group. Her insights create a space of understanding and solidarity that other parents deeply value.

Whenever she is unable to attend, her absence is truly felt. We look forward to her return each time—because Ms. X is the very definition of resilience and a shining example of strength in our community.

The X family participated in a recent vision screening event organized in our community through the Preserve Vision program. During the event, they received assessments and valuable guidance, and they expressed heartfelt gratitude to HSC and La Red de Padres for the opportunity.

“We are extremely thankful and happy to have participated in the program. We have learned so much. I feel more at ease and better adjusted to this country,” shared Mrs. X, who also expressed her desire to volunteer with the program in the future.

Like many families, they have faced financial challenges and were recently referred to Housing HSC for assistance with their water bill.

The family graduated from the program on April 8, 2025, and shared this message during the celebration:

“Thank you to Hispanic Services. Participating in *La Red* has truly been an incredible experience. We are very satisfied, and my daughter Valery has greatly enjoyed it as well,” said Mrs. X.

Their journey reflects the positive impact of community-based support and the strength that comes from connection, learning, and hope.

Dover Area

Mrs. X is a devoted participant from the Dover community—a hardworking farmworker and mother of two children: a kindergartener and an eighth grader.

From the very first workshop, Mrs. X stood out as a committed and engaged mother. She attended each session with enthusiasm, consistently sharing her insights and experiences related to her children's educational journey. Her passion for learning and growing as a parent was evident in every discussion.

She expressed deep gratitude for the valuable information and resources she discovered through the program—tools that helped her establish effective study routines and create a more supportive learning environment at home.

The confidence Mrs. X has gained throughout the workshops is truly inspiring. She now feels empowered to advocate for her children's needs and to actively collaborate with school staff. Currently, she volunteers twice a week at her daughter's elementary school, supporting both the library and cafeteria.

Perhaps most notably, Mrs. X has become a source of inspiration for other mothers. She has encouraged new parents to attend school events and participate in our program. Her vibrant presence has transformed the group dynamic—fostering an atmosphere of joy, support, and mutual encouragement. Her willingness to share and connect has helped others find the confidence to speak up and engage.

At our graduation celebration, Mrs. X beamed with pride, bringing her husband along to witness the incredible progress she has made. Her dedication to her children's education and to the community is both admirable and uplifting.

"It all started with a simple referral from our public school to see if we could get immunizations for our kids. But to our surprise, the Children's Board turned out to be so much more—and now we consider it an extension of our home.

From the very first time we stepped through the doors, we felt a strong sense of inclusivity, especially from Ms. Leo and the entire team.

Since then, we've made it a point to participate in the activities offered by the Children's Board—and they've been exactly what our family needed. Through the Explorer's Club, our child made new friends, and the language course introduced them not only to a new language but also to a new culture.

What stood out the most is the unwavering support we received as a family starting fresh in a new country. The team has guided us in so many ways, and we are incredibly grateful.

We hope the Children's Board continues to support other families just like ours. Our experience has been truly special, thanks to the kindness and dedication of the amazing staff."

Ms. Tamarria brings her daughters to as many activities as possible at the Children's Board Family Resource Center (CBFRC) in Plant City. When she learned the Center would be hosting a Community Baby Shower, she was overjoyed—especially since she is currently expecting a baby boy.

Though she wasn't sure what to expect, Ms. Tamarria was deeply moved by the care and thoughtfulness that went into the event. She shared that attending the *Safe Baby* presentation by the Healthy Start Coalition of Hillsborough County was incredibly informative and eye-opening. It helped ease some of her pregnancy concerns and even inspired her to make important changes in her plans for future caregivers.

So impacted by what she learned, Ms. Tamarria took detailed notes and shared them with her family members—encouraging them to participate in Center activities as well. This baby shower was especially meaningful to her, as she had never experienced one with any of her other children.

Ms. Tamarria expressed her sincere gratitude for the beautifully presented gifts and the warm, welcoming atmosphere of the Center.

"I am so thankful to the Center for making me feel special," she shared. "This baby shower was a first for me, and the information I learned has truly helped me and my family."

Woven Empowerment –WE Program

Testimonial

When “M” and her family first connected with us, she was overwhelmed. A single mother to a nine-month-old baby, she had also just become the legal guardian of her niece and nephew—both in foster care. As a former foster child herself, M’s greatest hope was to keep her brother’s children together and provide them all with a safe, stable home. Practically overnight, her household doubled in size, now caring for three young children—all under the age of five.

It wasn’t easy. M was starting over completely. A survivor of domestic violence, she had recently emerged from homelessness and was navigating a complex system of social services without a clear understanding of how to access the help she needed. She was seeking childcare, employment, and a sense of stability—but more than anything, she was craving connection and support.

When M joined Woven’s Family Support Services, she found more than just resources—she found community. Since enrolling, she and her children haven’t missed a single *Tuesday Night Live*.

Tuesday nights with Woven have become a cornerstone of support for M’s family. She enjoys a warm, home-cooked meal and time to connect with other parents who are also working toward their goals. Her three children participate in age-appropriate programming and love spending time with kids their age. M often shares how much she values the consistency and safety that Tuesday nights offer—a space where her family can grow, set goals, and be part of something greater.

Since becoming part of the Woven community, M has secured daycare for her children, received developmental referrals, and recently started a new job. She shares that when she first joined, she was consumed by stress—but now, she feels she can finally exhale. With every week, she sees her own progress and is starting to believe in what’s possible for her and her children.

We at Just Initiative and the Woven team are incredibly proud of M’s journey. Her strength and commitment are inspiring, and we look forward to celebrating the many successes still ahead for her and her family.

Tampa Metropolitan Area YMCA

Operation Strong Families

Launched in November 2024 with funding from the Children's Board of Hillsborough County, the Tampa YMCA's Operation Strong Families (OSF) is a free, 10-week program that supports active military and veteran families by providing tools for stress management, wellness, and a strong sense of community.

The program is offered at three YMCA locations: Spurlino Family YMCA in Riverview, North Brandon Family YMCA in Seffner, and South Tampa YMCA. Participants gather two evenings a week for sessions that include small group discussions focused on the real-life experiences of military families, as well as group workouts that support both physical and emotional well-being. While adults take part in their

sessions, children engage in their own age-appropriate group activities. The curriculum—developed by the Armed Services YMCA—is tailored specifically to address the unique challenges of military life.

Nicole Kettermann, Youth Health and Wellness Director at Tampa YMCA, explains the program's impact:

"Operation Strong Families brings small groups of military and veteran families together in the safe, resource-rich YMCA environment. Frequent family moves and deployments impose unique stresses on military families—particularly the children and the parent providing care while the service member is away. OSF aims to equip families with tools and resources to reduce stress, boost youth self-esteem, and build their confidence through the many social and community supports available to them."

Marine Master Sergeant Rosmell Mejia Escobar, who has served nearly twenty years and is a father of four, praised the program:

"My wife now understands what I do and the structure that comes with being a Marine," he said. "OSF gave us a community of people who get it. My kids and my wife are happier—and so am I." Nicole added, "I'm excited to see this program grow and its continued impact. We want to be the place where military families connect, feel supported, and build community."

Big Brothers Big Sisters of Tampa Bay (BBBS)

1-to-1 Mentoring (Middle)

We recently received some heartwarming news from Krina, a volunteer Big at IEL Shipping Solutions, who participates in our School-to-Work (STW) program. Krina proudly attended her Little Sister Rebecca's graduation from Jefferson High School and shared this beautiful reflection:

"Just wanted to share and again thank everyone at BBBS. I went to Becca's graduation and met her entire family, which was amazing. Her mom and I were lowkey tearing up together—it was the sweetest thing ever! I genuinely want to thank you all for this program. I truly did gain a lil sister for life through this, and we're already making plans!"

She added a heartfelt message directly to Rebecca:

"To my Little Sister: I am so beyond proud of you. Being your mentor and watching you grow over the past three years has been such an honor. I can't wait to see you flourish in this next chapter."

Krina and Rebecca were first matched in December 2022 through the School-to-Work program and have since developed a meaningful, lasting relationship. Rebecca shared that her favorite part of the program was simply "being able to talk with Krina about life—past, present, and future."

Rebecca has been accepted to Florida Atlantic University (FAU) and will begin her next journey this fall. And the best part? Their story doesn't end here—Krina and Rebecca are already planning to continue their connection through our Big Futures program.

Congratulations, Rebecca—and thank you, Krina, for being such an incredible mentor and friend!
