1. RELATIVE GOVERNING BOARD POLICIES

1.1 FUNDING ELIGIBILITY

Proposers eligible for funding include not-for-profit corporations and governmental organizations legally operating in the state of Florida.

By statute Section 125.901, Florida Statutes, as it existed prior to October 1, 1990, the CBHC Board will not provide funding to programs or agencies that are under the exclusive jurisdiction of the School District of Hillsborough County. However, the Board may fund services through other organizations which are coordinated with and complement the services provided by the School District of Hillsborough County, and such services may be provided on sites owned or administered by the School District of Hillsborough County.

Funding may be provided for programs through faith-based or religious organizations if the program serves a secular purpose and if the principal or primary effect of the program is one that neither advances nor inhibits religion. Additionally, the program must not require worship or religious instruction activities as a condition of participation. All agencies funded by the Children's Board will be required to meet the same high level of professional standards and quality assurance measures.

1.2 SPECIAL FUNDING PARAMETERS

CBHC funding or resources shall not be used to replace funding for activities for which other local, state, or federal governmental agencies are obligated by statute, administrative rule, or local ordinance to support, except in the following instances:

- The Board will consider funding of health services (and other services of a preventive nature) provided that a determination is made by the CBHC Executive Director that these services cannot be funded through other agencies established to provide them. In those cases where the Board may fund such services, a plan to obtain funding from other appropriate sources at the earliest possible time will be formulated by the provider agency and approved by the Board.
- The Board will not fund academic and recreational activities unless a determination is made that these services cannot be funded through other agencies. In those cases where the Board may fund such services, a plan to obtain funding from other appropriate sources at the earliest possible time will be formulated by the provider agency and approved by the Board.
- The Board will not provide programmatic funding for real property acquisition or building construction.
- Agencies applying for funding or currently funded by the Children's Board may not reduce or redirect funding from another source either in anticipation of, or as a consequence of, receiving funding from the Children's Board without the prior approval of the Board. However, the Children's Board encourages funded programs

to develop other sources of funding from both public and private entities, including corporate support and individual contributions.

1.3 STAFF AFFILIATION WITH OTHER AGENCIES

No member of the Children's Board staff will serve as a Board member of any agency funded by the Children's Board. Staff may serve as non-voting consultants to such agencies for the purpose of providing technical assistance with the approval of the Executive Director of the Children's Board. CBHC staff already serving on governing bodies of agencies which make a proposal for funding to the Children's Board will take a leave of absence until a decision is made regarding the proposal. If funding is approved, the CBHC staff member concerned must resign membership on the governing authority. No CBHC staff member will accept any compensation from an organization funded by the Children's Board.

1.4 UNIVERSAL ACCESS TO CHILDREN'S BOARD FUNDED SERVICES AND RESOURCES

Services and resources funded by the Children's Board are available to all eligible families, as determined by the funded agency's admission criteria.

2. STANDARD CONDITIONS FOR PROCUREMENT

2.1 EQUAL OPPORTUNITY AND NONDISCRIMINATION

The CBHC encourages the participation of minority, faith-based, and grassroots organizations in all contracts. No person or legal entity will be excluded from participation in, denied the benefits of, or otherwise discriminated against in connection with the award and performance of any Children's Board procurement on the basis of race, color, religion, national origin, age, gender, sexual orientation, disability, or marital status.

The Grantee shall not discriminate in providing services on the basis of race, color, religion, national origin, age, gender, sexual orientation, disability, or marital status.

2.2 NO ORAL INTERPRETATIONS

Interpretations, explanations, corrections, and changes of the Request for Proposals made in any other manner, or communicated orally by Children's Board staff will not be binding on the Children's Board and Proposers shall not rely upon them.
